7. **Public Meeting on Wed 8 July re Community Plan**

Drop in meeting for people to look at the potential sites of community interest for improvement or development in Plockton. We will gather any feedback for Inch Architecture.

8. Airstrip

No update at this meeting.

9. Accounts

Management account update with current balance of £5996.26 and free reserves of £2982.81

10. AOCB

- Bill attended community meeting on Kishorn development chaired by HIE. Plan is that there will be a development board with reps from Trusts and Community Councils. The board would meet 4 times a year. Recommendation is that we should participate in future meetings. Going forward representation will be by one Trust and Community Council member from Lochalsh and one Trust and Community Council member from the north area affected. Agreed this would be a useful information sharing forum and we should be involved in the appropriate way.

Next meeting Tuesday 1 September 2026
