- DS sent info on the Trust to WHFP
- AM/MM sent overview of Old PO to members and posted on PP&P
- SH sent letter to NTS re registering an interest in the Old PO; this has since been acknowledged.

3 AGM Zoom meeting – 28 April or 12 May

- SH outlined the action plan for the AGM.
- The date of 28 April does not allow sufficient time should an election be required, if so the AGM will take place on 12 May. Most of the planning is in hand.
- JK to create a page on website for AGM papers. SH to provide content.
- It was agreed that nominations for Trustees from outwith Plockton would be particularly welcome.
- JF offered to send a communication to all Plockton Harbour CIC members, encouraging them to join the Trust.

4 Plockton.com and Plockton.org

- DM informed the meeting that the CC has decided to retain Plockton.org
- JK noted a few issues with the Trust's Plockton.com website which is a legacy of both sites being associated in the past. This will be looked at again.
- JK and DM agreed to consider how best to share info across both sites.
